Our **Simply Tools 21 Piece Brake Wind-Back Tool Set** allows you to depress and wind back brake caliper pistons when fitting new brake pads. Simple turn handle operation presses the piston back to allow for thickness of new pads. You'll find that this tool set will help prevent damage to pistons and seals. Manufactured from heat treated chrome vanadium steel that's wear and fatigue resistant. Rest assured knowing this high quality product is backed up by our year long guarantee.

### This tool set includes:

- **Magnetic left handed and right handed wind-back spindle**, clearly marked LH and RH for left handed and right handed users
- **2 reaction plates**
- **17 assorted adapters** to fit almost all popular makes of vehicle
- **Supplied in a hard carry case with moulded compartments** that safely clips each tool set item back into place for secure transport.
